

Answer your phone.

The cheapest marketing upgrade in the trades costs \$0.

02

First to answer usually wins

Homeowners call down the list. The first live human tends to book the job.

03

5 minutes is the cliff

Call back in 5 minutes vs 30 and you're up to 100× more likely to actually connect.

04

Missed call? Auto-text back

'Sorry we missed you — what's going on?' sent instantly saves the job.

05

Voicemail is where jobs die

Nobody leaves one anymore. If you can't answer, forward it or use an answering service.

Speed wins.
